The Adapted Physical Education Section is proud to recognize E. Ann Davis as their 2013 Amazing Person. Ann received her bachelor of science degree in physical education from The College at Brockport and her master of science degree in supervision and administration from SUNY Plattsburg. She began her career as an elementary physical education teacher and was an adapted physical education teacher at the Prospect Child and Family Center for eighteen years, before retiring in 2008. During her career Ann also worked as a Therapeutic Recreation Specialist, at a Jewish Community Center, and a Montessori School. She has been a provider of Yoga for the Special Child™ for fifteen years, and has owned and operated The Yoga Nook, providing yoga for adults and children including special needs populations for the past thirteen years. Her teaching philosophy has always been to over plan, have alternatives and be ready to toss it all out and go with the flow. She believes that she has learned more from her students over the years than they have learned from her. For years, Ann has shared her knowledge with NYS AHPERD and the Adapted Physical Education Section, presenting at both our state and Zone conferences. It is with great pleasure that the Adapted Physical Education Section recognizes E. Ann Davis as their 2013 Amazing Person.
