**NYS AHPERD is hosting 2 DASA Trainings**

**DASA requires school professionals applying for a certificate or license, on or after December 31, 2013, to complete the six hour DASA training.** This training will address the social patterns of harassment, bullying and discrimination, marginalization and micro aggressions, including but not limited to, those acts based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. This training will address these issues from a proactive – rather than a reactive – position and present the “goal” as creating an affirming educational environment for all students through addressing school culture and climate. It will also cover the identification and mitigation of harassment, bullying and discrimination; and strategies for effectively addressing problems of exclusion, bias and aggression in educational settings.

**Successful completion of this course will meet the certification requirements in §14(5) of Chapter 102 of the Laws of 2012.**
